LAWRENCE COUNTY DRUG & ALCOHOL

NALOXBOX INITIATIVE

The NaloxBox initiative is an innovative, community-access naloxone program that provides tools, training, and awareness to empower laypeople to rescue victims of opioid overdose.

The NaloxBox mission is to improve the capacity of bystander rescuers to save the lives of victims of opioid overdose with overdose response tools, including naloxone.

Lawrence County Drug & Alcohol began this initiative in April 2022. To date, we have installed 58 Naloxboxes throughout Lawrence County, including businesses, churches, schools and colleges.

To become involved or for more info, please contact Carrie Meier, CRS.
